Honorable Robbie Williams,

I am writing to announce my resignation from Southern Water and Sewer Company as board member and chairman, effective February 1, 2019.

It was not an easy decision for me to make. The past 23 years have been very rewarding. I have enjoyed working on a very successful and dedicated team. For years, we have worked together to provide quality water and sewage to the residents of Floyd County.

Thank you for the opportunities that you provided during my tenure with this company.

Please let me know if there is anything I can do to help with the transition of my replacement. I wish you, the county and the company the very best.

Sincerely,
